Funds needed:

\$49,324

Geographic Area of Activity:
Number of Beneficiaries

Pulau Puluu Batu
27,000

No	Object Category	TOTAL Expense
A	Project Salaries	
A.1	Program Manager	6,000
A.2	Doctor	6,000
A.3	Nurses	4,800
A.4	Helper	1,400
	Subtotal	18,240
B	Equipment	
B.1	Boat	20,000
	Subtotal	20,000
C	General Expense	
C.1	Vehicle operational	2,400
C.2	Generator fuel	600
C.4	Insurance & Maintenance	3,600
	Subtotal	6,600
	Total	44,840
	Administration	4,484
	TOTAL BUDGET	\$49,324

A little \$ pays an MD salary for 2 years = \$11 per day

Our team spent more than this in airfare

Boat – to rent for our team = \$350/week = \$17,000 per year

Telo Mobile Clinic March – June 2009 Treated 350

Those in Need

Challenges

- Remote islands with limited access of transportation and dangerous area because of storms
- Lack of safe water and sanitation (we plan to introduce special water filters in the remote islands for safe drinking water)
- Poor communities and unhealthy behavior
- Difficult to reach, difficult to communicate, lack of basic amenities

Socialization

March 17, 2010 Bonne Fin Update
9 weeks after the quake

Over 600 trauma people since the quake
300 inpatients
300 seen in the ER and out patient clinic department
More than 300 surgical procedures

5 Deaths
1 patient pre-op from septicemia with multiple open wound
3 patients post-op from late stage of sepsis and hemodynamic and hydro-electrolytic imbalanced
1 case non traumatic.

30% of the patients had to undergo amputations due to crushed injury complications with delayed compartment syndrome and limbs necrosis.

95% of the skin grafts have taken.

95% success of the internal fixation of the femur fx (5 patients still inward).

95% success of the fasciotomies (with 2 patients still inpatients)

85% success of the X-Fix (12 patients still inpatient)

April 21, 2010

The first photo shows two patients standing and using crutches. The second photo shows two patients standing and using crutches, with one patient wearing a cast on their leg. The background shows a hospital room with a window and some furniture.

In Summary....

It is a small world.....

We can help
